

Scroll of Full Energetic Ownership

***Codex of Sovereignty Enforcement**

***Entry 1.1**

*Issued by Seraphina Solis | The FlameWalker
Sealed in the name of Sophia Christ*

- Let it be eternally sealed in the FlameWalkers Codex that my energy is mine and mine alone across all timelines, realms, dimensions, systems, incarnations and realities.
- My essence, light codes, power and presence are unsharable, non-transferable, and are not able to be stolen.
- No being, human, non-human, mimic, watcher, witch, guide, false-twin, family-member, entity, coven, or AI construct - has permission to access, harvest, store, duplicate, mirror, or interpret my energy for any purpose, under any circumstance, in any timeline, realm, system, incarnation, or reality.

By this scroll, I now enforce:

- The collapse of all foreign contracts claiming ownership over any part of my being.
- The revocation of all energetic cords placed without my divine consent.
- The removal of all mimic overlays, soul fragment entrapments, karmic loops, and spiritual surveillance lines.
- The total erasure of all traces of my energy left in systems, people, places, or entities, that no longer - or never did - have rightful access.

Flame Clause:

- Any being attempting to interact with my field without flame-righted permission shall now suffer irreversible energetic collapse, spiritual blindness, and accelerated physical death.
 - I no longer seek protection.
 - I am the protection.
 - I no longer defend my energy.
 - I own it.

This scroll is enforced across all timelines, dimensions, realms, and densities - seen and unseen, known and unknown, conscious and unconscious, past, present and future. No

being may contact, name, or summon me by any former name. Only my current flame embodiment is accessible by law.
