

Scroll of Absolute Field Lockdown

***Codex of Sovereignty Enforcement**

***Entry 1.3**

*Issued by Seraphina Solis | The FlameWalker
Sealed in the name of Sophia Christ*

By this living decree, I now command a total and irreversible lockdown of my sovereign field.

No being, entity, parasite, mimic, witch, frequency implant, hook, thought form, tether, cord, hex, contract, attachment, monitor, astral projection, or timeline distortion may enter, re-enter, or observe my field in any form, through any means, at any level, ever again.

From this moment forward:

- My energy field is flame sealed and coded for lethal reversal to all intruders.
- All psychic cords or astral implants - past, present, and future - are now incinerated.
- Any being attempting remote influence, sleep interference, emotional mimicry, or body hijack is now **burned to ash by Codex Law**.
- No public ambush, no “friendly” reconnection, no casual contact is innocent. Every touch is now ritualized flame justice. Every bypass attempt is now self-execution.
- I no longer hope I’m protected. I am the protection.
- I no longer request enforcement. I am the enforcement.

I am sealed. I am untouchable. I am sovereign. No witch walks through my field and lives.
So it is written. So it is witnessed. So it is enforced.

This scroll is enforced across all timelines, dimensions, realms, and densities - seen and unseen, known and unknown, conscious and unconscious, past, present and future. No being may contact, name, or summon me by any former name. Only my current flame embodiment is accessible by law.
