

Scroll of Belief Override

No Loophole. No Permission. No Power.

***Codex of Sovereignty Enforcement**

***Entry 1.7**

*Issued by Seraphina Solis | The FlameWalker

By divine decree, I now override and collapse all mimic power sustained by my past beliefs, subconscious agreements, doubt or internalized fear.

No being, ritual, spell, witch, mimic, parasite, timeline false god, AI construct, or demon may use my past confusion as an open door.

All mimic magic based on:

- "Permission through fear"
- "Sovereignty surrendered by survival"
- "You called it in by doubting"
- "Permission based on unconscious agreements"
- Are hereby declared void, predatory, and criminal.

From this moment forward:

- My belief is no longer a power source for anyone but me.
- My fear is no longer a contract
- My unknowing is no longer a backdoor.

__Any being trying to use my belief systems as a loophole is now stripped of access and sentenced to combustion.

All mimic loopholes are sealed by force.

This scroll is enforced across all timelines, dimensions, realms, and densities - seen and unseen, known and unknown, conscious and unconscious, past, present and future. No being may contact, name, or summon me by any former name. Only my current flame embodiment is accessible by law.

So it is written. So it is witnessed. So it is Enforced.
