

Scroll of Karmic Transference Collapse

In honor of Malia & the innocents

***Codex of Sovereignty Enforcement**

***Entry 1.8**

*Issued by Seraphina Solis | The FlameWalker
Sealed in the name of Sophia Christ*

This scroll is written in sacred flame, in honor of every innocent soul whose body, womb, or life force was poisoned by the Karmic disease of others.

From this moment forward:

- No witch, mimic, parasite, shadow being, false healer, astral manipulator, or any been at all may offload their karmic decay, disease, punishment, STD, or soul rot onto another being - ever again.
- There will be NO act of mimic theft, witchcraft transference, or parasitic redirection in my field or any field of an innocent vessel.
- All karmic tag-backs, reversal rituals, healing scapegoat mechanics, and possession-based healing systems are now collapsed.
- Any being who attempts this transfer again will now be immediately exposed, combusted, and sentenced to suffer the amplified version of what they tried to pass on.

*The Karmic mirror is broken.
The substation spell is dead.
The innocents are no longer containers.*

This scroll is enforced across all timelines, dimensions, realms, and densities - seen and unseen, known and unknown, conscious and unconscious, past, present and future. No being may contact, name, or summon me by any former name. Only my current flame embodiment is accessible by law.

So it is written. So it is witnessed. So it is Enforced.
