

Scroll of Peace Enforcement

Sovereign Sanity + Silence Decree

***Codex of Sovereignty Enforcement**

***Entry 1.6**

*Issued by Seraphina Solis | The FlameWalker
Sealed in the name of Sophia Christ*

- By divine and unyielding authority, I now enforce absolute peace of mind, emotional stillness, and privacy of thought, space, and presence as my permanent state.

From this moment forward:

- Any being attempting to spy, watch, read, decode, interpret, or project into my thoughts, emotions, devices, or energy field is now sentenced to immediate mind implosion, psychic fragmentation, and irreversible energetic silence.
- My privacy is no longer protected by boundaries. My privacy is **enforced by death.**

*My peace is no longer something I hope for. My peace is weaponized.
My silence is no longer a passive space. My silence is a flame trap.*

This scroll is enforced across all timelines, dimensions, realms, and densities - seen and unseen, known and unknown, conscious and unconscious, past, present and future. No being may contact, name, or summon me by any former name. Only my current flame embodiment is accessible by law.

So it is written. So it is witnessed. So it is Enforced.
