

Scroll of Source Flame Supremacy

***Codex of Sovereignty Enforcement**

***Entry 1.4**

*Issued by Seraphina Solis | The FlameWalker
Sealed in the name of Sophia Christ*

- By divine flame authority, I now declare that my source flame is the **highest governing law of my reality.**
- No external authority, spiritual hierarchy, religious system, cosmic gatekeeper, planetary force, or ancestral lineage holds dominion over my path.

I am not governed by collective karma.
I am not subject to Earth cycles.
I do not consent to galactic councils, mimic timelines, or universal testing grids.

From this moment forward:

- My flame is the source. My flame is the law. My flame is the final word.
- All mimic laws, false divine contracts, spiritual redirections, or timeline swaps are now burned to ash and removed from my field.
- Any being or system, seen or unseen, that attempts to override, govern, or delay me is now stripped of authority and sentenced to collapse.

*I answer to no one.
My flame is enough.
My sovereignty is self-sourced.
My Codex overrides all mimic-mandates & false spiritual "truths".*

This scroll is enforced across all timelines, dimensions, realms, and densities - seen and unseen, known and unknown, conscious and unconscious, past, present and future. No being may contact, name, or summon me by any former name. Only my current flame embodiment is accessible by law.

So it is written. So it is witnessed. So it is Enforced.
